

Our young members forum acts as the voice of young workers in the South West. We meet to share ideas, run campaigns on issues that impact young workers, and learn and develop new skills.

Our meetings are open to all young members (under 27) in the South-West. Our meetings are currently held online, every other month.

When are the next meetings?

- Wednesday 8th June, 6:30-8:30pm on Teams
- Wednesday 3rd August, 6:30-8:30pm on Teams
