WORKING LATE?

Calamity Bert is a real sticker on Microsoft Teams - don't be like him!

1 hour a day
= 5 hours a week

That's over

25 days

of unpaid work every year

Working more than your contracted hours puts unfair pressure on you and your colleagues, and leads to burnout.

LOOK AFTER YOURSELF!

Start and finish on time

Take your breaks

If your role requires another hour, management should be aware and you should get TOIL
